Decision No. 3293 dated April 28, 1995. Any member who leaves prior to contract ratification shall not receive any of the new benefits negotiated within the agreement.

ARTICLE 2 MANAGEMENT RIGHTS

2.0 It is recognized and agreed that the Town, through the Board of Selectmen, the Chief Administrative Officer, and the Chief of Police, has and will continue to retain the exclusive rights, duties and responsibilities to manage and direct the affairs of municipal government in all its various aspects except those specifically abridged, or modified by this agreement. Such functions of the Town include but are not limited to the exclusive rights: to hire, promote, demote, suspend, discharge or otherwise discipline for just cause; to maintain discipline and efficiency of employees and prescribe reasonable rules to that end; to layoff because of lack of work or because of budgetary considerations and to recall; and to introduce or improve methods or facilities. In addition, the Town shall have the sole rights, responsibilities and prerogatives of management of the affairs of the Town and direction of working forces, including, but not limited to the following:

(a) To establish or continue policies, practices, and procedures for the conduct of Town business and, from time to time, to change or abolish such policies, practices or procedures.

(b) To prescribe and enforce reasonable rules and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the Town, provided such rules and regulations are made known in a reasonable manner to the employees affected by them.

(c) To ensure that incidental duties connected with departmental operations, whether enumerated in job descriptions or not, shall be performed by employees.

2.1 The Town agrees in the exercise of its functions to comply with the provisions of this Agreement and that the provisions of this Article shall not be used by the Town for the purpose of infringing upon any employee's right provided in this Agreement.

2.2 It shall be the policy of the Town that all work which can be properly, safely and economically performed by employees covered by this Agreement shall be assigned to and performed by employees covered by this Agreement.

ARTICLE 3 UNION SECURITY, DUES DEDUCTION

3.1 As a condition of employment (i) all present employees who are members of the Union upon the effective date of this Agreement shall remain members for the duration of this Agreement and (ii) all employees who are not members shall within thirty-one (31) days after the effective date of this Agreement become members of the Union and remain for the duration of this Agreement. All employees hired hereafter, as a condition of employment, shall become members of the Union on or before their thirty-first day of employment and remain members for the duration of this Agreement.

3.2 The Town agrees to deduct from the salary of all employees covered herein, who authorize in writing such deductions from their salary, such dues and initiation fees as may be fixed and certified to the Town by the Union as allowed by law. The Town will remit to the Union on or before the last day of the month in which such deductions are made, the aggregate of amounts collected, together with an alphabetic list of employees from whose salary such sums have been deducted. Such deductions shall continue for the duration of this Agreement and any extension therefore. The Union agrees that it will hold the Town harmless from any claim for damages by reason of carrying out the provisions of this Agreement concerning the deduction from salary of such dues and fees, as here before mentioned.

3.3 These deductions will be made on the pay day of each week as specified by the Town and agreed to by the Union.

ARTICLE 4 SENIORITY

4.1 Seniority shall commence on the day that the employee begins work as a paid full time employee as a Civilian Dispatcher, except as provided in Section 4.3 below.

4.2 An employee's seniority shall be broken and he shall forfeit all rights and benefits under this Agreement if he (1) voluntarily resigns and quits, (2) is discharged, (3) takes a leave of absence for the purpose of working at another occupation, or (4) takes a leave of absence for

more than 90 days, unless the leave is for military service or educational programs approved by the Town.

4.3 No employees shall attain seniority rights under this Agreement until he has been continuously employed by the Town as a full time member of the Department for a period of one (1) year from the date of hire. During such period, the employee shall be on probation and may be discharged by the Town for any reason whatsoever. In such event, neither the Union nor the employee shall have recourse to the grievance and arbitration procedure of this Agreement. Upon completion of an employee's probation period, his seniority shall date back to date of his original employment with the Town.

4.4 An employee's seniority shall not be lost because of absence due to illness, authorized leave, workers' compensation, vacation, personal leave, military leave, layoff or suspension.

4.5 In the event of any reduction in the number of employees, layoff shall be in reverse order of hiring and recall shall be by seniority. Employees shall retain recall rights for a period of twenty-four (24) months from the date of layoff.

4.6 The Town shall prepare a list of permanent employees showing their seniority and time of service with the Town and deliver the same to the Union at the signing of the Agreement. Seniority is the continuous service of the employee in the Town and computed in year, months, and days from the date of hire.

4.7 When new jobs are created, or exist, the Town shall post the position for one (1) week and each employee within a department who is interested will have the opportunity to apply for said opening providing he is qualified.

4.8 Employees will be given at least two (2) weeks' notice before layoffs are made. The Union will be notified at the same time the employee is notified of layoff.

4.9 Employees who are specially employed by virtue of federal or state funding or emergency programs shall not obtain seniority rights under this Agreement, but should such employee become a permanent employee by specific action of the Town, the seniority of said employee shall date back to the time of the employee's original employment with the Town. This section shall not be construed as any guaranty of employment in the event that Federal or State Funds are discontinued.

4.10 The Town will abide by all applicable federal and state laws pertaining to ADA.

4.11 When a vacancy exists or a new position is created, employees will be considered on the basis of their skill, ability, and seniority. Where the qualifications are substantially equal, the employee with the greatest seniority will be given preference.

ARTICLE 5
HOURS OF WORK

5.1 The regular work week for Civilian Dispatchers shall consist of five (5) days on and two (2) consecutive days off, forty (40) hours per week, eight (8) hours per day with a one-half (1/2) hour lunch. Dispatchers shall fill the following shifts by seniority: A shift - 7:00 a.m. to 3:00 p.m.; B shift 3:00 p.m. to 11:00 pm.; C shift 11:00 p.m. to 7:00 a.m.; Relief Shift current practice. A regular work week shall begin at 0700 hours on Sunday morning and conclude at 0700 hours on the following Sunday morning.

5.1(a) Whenever the department full time dispatch staff is at the level of five (5), the dispatch supervisor will work a modified schedule including forty (40) hours per week broken into five (5) eight (8) hour shifts followed by two (2) consecutive days off. The hours and days of the modified schedule shall be determined by the Chief of Police or his or her designee. These hours will allow for overlap in coverage between other shifts based upon predetermined needs of the department. The minimum dispatch staff will remain at four (4) full time employees. If the dispatch supervisor working a supplemental schedule takes any time off then that supplemental shift will not be backfilled by another dispatcher. The dispatch supervisor's schedule can be temporarily modified to fill vacancies in other shifts as long as the Dispatch Supervisor is given a minimum of five days' notice of such vacancy. The dispatch supervisor will also fill any absences caused by other dispatchers scheduled to work during the Dispatch Supervisor's modified schedule.

(b) The parties agree that dispatchers shall be required to work during the one-half hour lunch specified in Section 5.1 above except that, if qualified coverage is available during the shift, the dispatchers may be permitted to take a break from the desk to eat their lunch, subject to the approval of the Town and provided such break shall not exceed one-half hour and the dispatchers shall not leave the premises. Dispatchers shall receive their regular rate of pay for such one-half hour lunch.

Compensatory time off may be credited at the same rate in lieu of overtime pay. An employee may accrue no more than one hundred twenty (120) hours of compensatory time off during any fiscal year period. Any compensatory time awarded above the maximum amount of accrued compensatory time shall be paid at the employee's overtime rate. Employees may only carryover from one calendar year to the next a maximum of 40 compensatory hours. All other unused compensatory time shall be paid in the first full pay period following January 1st

5.3 Dispatcher employees shall receive double time for all work performed on their seventh day and time and one-half for all work performed on their sixth day. To be eligible for double time on the seventh day, the employee must also have worked on their sixth day. For the purpose of determining the "6th day" and "7th day" of a work week, the first nonscheduled work day (Day Off), shall be the "6th day" and the second nonscheduled work day (Day Off) shall be the "7th day" regardless of where they fall within the work week.

5.4 The allowance of an overtime premium on any hour excludes that hour from consideration for overtime payment on any other basis, thus eliminating any double overtime payments.

5.5 Whenever overtime is required, overtime shall be divided as equally as efficient operations permit, among the employees performing similar work in the group. Employees shall be required to meet reasonable overtime schedules unless they are unable to do so because of illness, injury or prior appointment. An employee who refuses overtime will be dropped to the bottom of the call-in list. An employee called in before his normal position shall not lose his regular position on the recall list. A record of overtime worked will be maintained by the supervisor and be available for examination upon request.

5.6 An employee who is told to report to work prior to his regular starting time will be paid for hours worked at the rate of time and one-half up to the start of his regular starting time. If the employee is released prior to the beginning of his regular starting time, he shall receive no less than the equivalent of four hours pay at time and one-half provided he reports to work within thirty (30) minutes of the time he is called.

For the purpose of computing overtime, all paid time shall be considered work time.

5.7a 5.7 An employee who is called back to work at the end of his normal work day will be paid for the hours worked at the rate of time and one-half up to the beginning of his next scheduled work day. If the employee is released prior to the beginning of his next scheduled work day, he shall receive no less than the equivalent of four hours pay at time and one-half, providing he reports to work within thirty (30) minutes from the time he is called.
