July 22, 2014

Town of Canton
4 Market Street
Collinsville, CT 06062
Attention Kevin Smith

Dear Kevin:

Thank you for this opportunity to propose continued testing of your life-safety systems at The Town Hall, Library, North Canton Fire Station and Police Station. The pricing is per the State of Connecticut Contract Award # 11PSX0055 and 11PSX0026.

All services will be performed by qualified, trained and professional *SimplexGrinnell employees*. All inspections will be scheduled with advance notice.

Pricing is based on a 5 year contract beginning December 1 2014 through November 30 2019.

Fire Alarm System

Testing Coverage provides:

1. Annual functional test, semi-annual visual inspections and semi-annual battery tests
2. Annual reporting of sensitivity levels of 100% analog smoke detectors and/or sensitivity testing of 50% of non-analog smoke detectors
3. Annual cleaning of 100% of non-addressable smoke detectors during time of inspection and/or annual cleaning as necessary of addressable smoke detectors during time of inspection.
4. Complete documentation after all services
5. Any necessary replacement parts and/or service labor will be invoiced in addition to agreement after customer approval.

Parts and Panel obsolescence is not covered in this contract. If replacement parts are no longer available for purchase, it will be the owner's responsibility to replace or upgrade the system.

North Canton Fire House	\$ 450.00/Annually
Canton Public Library	\$1,500.00/Annually
Town Hall	\$ 650.00/Annually

Total Annual \$2,600.00

Sprinkler System:

Testing Coverage provides:

1. Quarterly test and inspection of sprinkler system
2. Annual inspection of backflow (Library only)
3. Complete documentation after all services
4. Any necessary replacement parts and service labor will be invoiced in addition to agreement after customer approval

Police Station	\$ 600.00/Annually
Canton Public Library	\$ 600.00/Annually

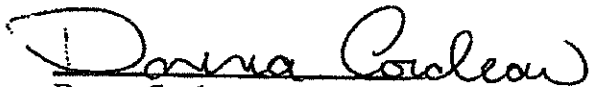

Total Annual \$1,200.00
