Engineering Design Services for Bridge Replacement/Rehabilitation of  
Bridge No.023001 Washburn Road over Jim Brook and  
Bridge No. 023006 Old Canton Road over Rattlesnake Brook

TOWN OF CANTON  
ADDENDUM NO. 4

1. Remove the following language from paragraph 2 of section 4, PROPOSAL SUBMISSION INSTRUCTIONS:

**“and submit a detailed cost estimate to meet the requirements of each project. A Proposal Cost Estimate is not required at this time. All responses will be reviewed and a short list will be developed for interviews”.**

2. Please provide a detailed scope that all consultants can use as a basis of their fee estimate. **See item III. GENERAL SPECIFICATIONS.**

3. Should ask if the fee should be based on rehabilitation or replacement? **Base the fee on replacement.**

4. What preliminary work has been done already - survey, borings, and any engineering reports that have been done – H/H, type study, PE reports. **Inspection reports see addendum #5.**

5. We are an SBE – do we need to sub-consult to another SBE @ 25%? Do we have to sub-consult to an MBE and at what %? **SBE is not required, see addendum # 3.**

6. If survey is required will this be extra work? Federal Wetlands delineation may be required – Extra work? **Include pricing for this.**

7. List of Permits only? – Will Prep of applications and supporting documents be Extra work? **Include pricing for this.**

8. Does the Town want part-time or full time inspection? **Provide pricing for full time.**
